Monitoring Bill Introductions at the Minnesota State Legislature

The “Easy” Way

Enter your email address and click “submit.” Congrats! You are now monitoring the MN House of Representatives!

Now click here: [http://www senate.leg.state.mn.us/orders/index.php#subscribe](http://www senate.leg.state.mn.us/orders/index.php#subscribe)

Enter your email address and click “Submit Information.” Congrats! You are now monitoring bill introductions in the Minnesota Senate!

The “Hard” Way (also known as, “Hey Rachel, that didn’t work at all...”)

Open your browser window (Safari, Chrome, Mozilla, etc.)

In your search bar, enter [www.house.leg.state.mn.us](http://www.house.leg.state.mn.us)

It’ll look like this:

![Screenshot of the Minnesota House of Representatives website](image1.png)

Click on “Bills” in the top, green search bar.
To get notifications of when a bill has been introduced to the House of Representatives, click where it says “House Bill Introductions”.

From there, click where it says, “e-mail notification”.
Enter your email address in the space provided and click “submit”:

Congrats! You’re now signed up for alerts from the Minnesota House of Representatives!

Now click your “back” button twice.

Click on “Senate Bill Introductions”
Click on "Subscribe to Senate Daily Orders of Business email list"

Enter your email address and then click “Submit Information”

Congrats! You are now signed up for alerts from the Minnesota Senate!
